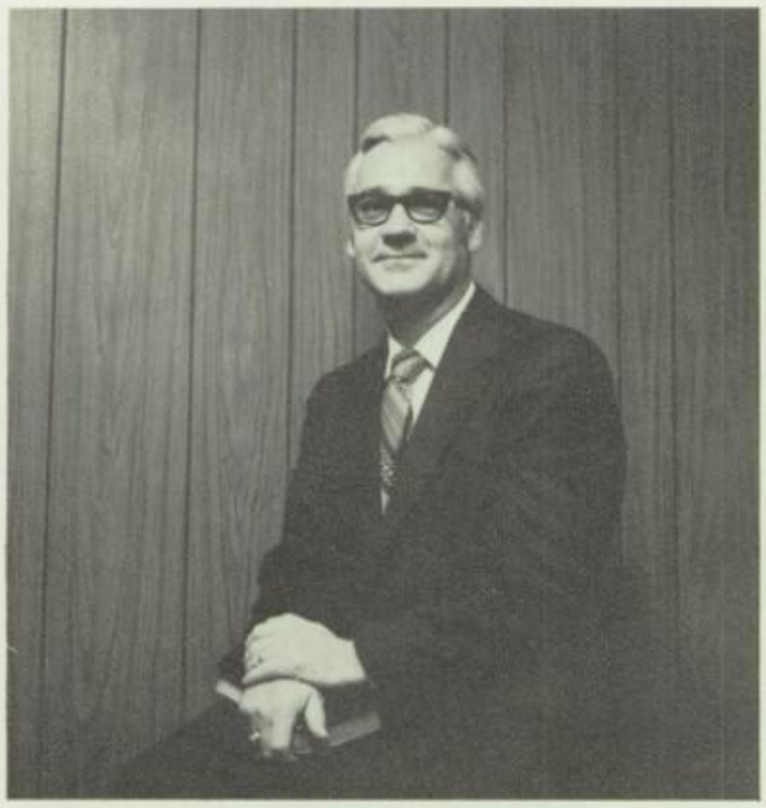
ADMINISTRATION



FAITH! What an intriguing word . . . fathomless in depth, yet understandable in Christ. This was the way our School began and this is the method of our progress connected with spiritual work.

It takes faith in the Changeless Christ to live by the Word of God in a constantly changing society. But, the purpose in the founding of Faith Baptist Bible College was Bible-adhered - to education which develops the whole man: spirit, body, mind, and soul. There is no doubt about it, a child taught by Christian teachers and surrounded by Godly influence will have greater opportunity to accomplish his or her God-ordained purpose.

We promise, by the Grace of God, never to lose sight of this purpose.
